Chalmers Beamer Theme

Yay, no more powerpoint

Simon Pfreundschuh
Department of Earth, Space and Environment

CHALMERS
UNIVERSITY OF TECHNOLOGY

A Slide

A simple block

without background.

- But with a list
  - and a nested one
- and another one.

Another simple block

This time with an enumeration:

1. First thing
2. Second thing

A Slide

Example

An example of an example block.

A Slide

An alert block

with a title.

And another one without a title.

A Slide

Theorem (Bayes)

$$p(\mathbf{x}|\mathbf{y}) \propto p(\mathbf{y}|\mathbf{x})p(\mathbf{x})$$
