TODO: Fix the front-page template

First-Level Heading new

Second-Level Heading new

Third-Level Heading new

Here is my table.

Table 1—Table caption.

Test citation

Developing Alyaev (2026), we use an improved L^AT_EX template (Alyaev, 2026). The template was needed to write Saleem et al. (2026) (Saleem et al., 2026).

Acknowledgemets

The manuscript is prepared in Latex using the template from Sergey Alyaev:
<https://github.com/alin256/spe-2023-latex-template-done-right>.
