Outline

Introduction

Main Content

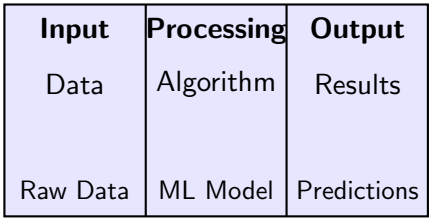

Results

Conclusion

Introduction Slide

- First point
- Second point
- Third point

Example with Figure

Example framework diagram generated with TikZ.

Subsection Slide

- Point A
- Point B
- Point C

Mathematical Content

- Example equation: $y = mx + b$
- Probability notation: $\mathbb{P}(X > 0)$
- Expectation: $\mathbb{E}[X]$

Two-Column Layout

Left Column

- Item 1
- Item 2

Right Column

- Item A
- Item B

Results Overview

- Result 1
- Result 2
- Result 3

Table Example

Method	**Metric 1**	**Metric 2**
Method A	0.85	0.92
Method B	0.80	0.88
Ours	**0.90**	**0.95**

Conclusion

- Summary point 1
- Summary point 2
- Future work
