1 Introduction

This template works perfectly in Verbosus, and simplifies working in LaTeX. Just upload the tex files and pdf files appropriately, and copy and paste the sample references below into the bibliography.

1.1 Predecessor

The template was developed sources provided at http://www.uef.fi/en/cs/latex-pohja

2 Making a Bibliography

Copy and paste the following into Verbosus' bibliography page, then make citations, like John Smith did [2] under instruction of Jane Doe [1]

```
@article{doe95,
 author="Jane Doe",
 title="Another Article",
 journal="Journal of Journaling",
 year="1995"
}

@book{smith99,
 author="John Smith",
 title="Writing nicely",
 publisher="Incredible Books Inc",
 year="1999"
}
```
