Name of project, University/Organisation Month 20XX – Present

- Put a description of your community engagement activities here

Name of project, University/Organisation Month 20XX – Present

- Put a description of your community engagement activities here

Peer-Reviewed Publications

If you have enough publications, you can have separate sections for each type (e.g., peer-reviewed, book chapters, editorials & op-eds etc.).

We have included an example of how you can incorporate open science badges into your CV. If you don't want to use these, apply the formatting used in the section on Preprints and Manuscripts in Preparation instead.
