# An Example for the Minimal Beamer Theme

Jens Erat

October 8, 2026

# Outline

- The Template
- Usage

# KISS

Keep it simple stupid

# What is it?

- **Minimal** template
  - stripped to a very basic template
  - without fancy navigation buttons
  - awkward color schemes
  - overwhelming box designs
- for everybody preferring basic, simple and non-distracting presentations

# Installation

- link/copy `beamerthemeMinimal.sty` to your LaTeXpath
  - eg. `~/texmf/tex/latex/`
- add `\usetheme{Minimal}` to your preamble
